Truth about US:

^{US}
can take refugees
in bombing

(WWII

being

A-bombs

SAC

H-bombs

PGMs

Vipers...

If we don't is
disarmament, we destroyed

the US (FDR, best)

exp. the, JFK will
have led the way, during
the race ~~that~~ — en route

(We didn't want
the first pretensions
of slavery, genocide,
Torture, aggression,
empire

but: ^{massive} Terror bombing
with UK (small
precursors: Japan + Regia)
first-bombing
rules (us)

(Formal bomb didn't
start on our side in
ME (!) — but was a
factor in US failure to

but is a factor
(US financial constitution)
is precluding a real
US anti-nuc/prolif
policy.

(far out part of
the solution,

Has it kept Israel
from compromise?

— no, well compromise
possible (However)
if they wanted it?

How: but then do what
is legal — with inspection
— initiated secret program
if any! — incentives to
not go further — ASSURANCES

of non-attack
(take non-nuclear
attacks "off the table"
— Co. MHH on Nixon-Haun
("little Pearl," or at
least bluffing!)

(To MHH: arguments for
taking non off table
apply to non-nuc
things, as well!
and conversely,
arguing for non-nuc
bluff argues for
nuc bluff.
